

AKC STAR
Puppy Class
October 2021

This will be a puppy class using the AKC STAR PUPPY format (see AKC.org), sponsored by PVGRC. It will be held at the residence of Jeanette Hoover, a PVGRC member and AKC Evaluator. The class will be open to PVGRC members and their pups. Although the class is designed for pups up to one year of age, we have found that the younger pups have more in common with pups up to six months of age, so the younger pups would be preferred. They must have completed at least one set of vaccinations.

There will be eight classes offered, six must be completed to officially graduate from the program. Classes will be outdoors, at 4:00 p.m. on Sundays, starting on October 17th. Classes will be rescheduled in case of rain. The cost is \$20 to cover expenses. If interested, please contact Jeanette Hoover at 301-512-5235 or muchadogoldens@verizon.net.

Classes will be held at 4502 32nd Street in Mt. Rainier, MD. 20712.
